**SAACA IS A NON-PROFIT ORGANIZATION
DEDICATED TO THE CREATION, PRESERVATION AND
ADVANCEMENT OF THE ARTS**

WHO IS SAACA?

Southern Arizona Arts & Cultural Alliance (SAACA) is a nonprofit organization dedicated to the creation, preservation and advancement of the Arts.

SAACA strengthens the bonds between *people, place* and *purpose* through collaborative, arts-driven experiences.

For centuries, our region has been a vibrant center for artistic expression and cultural exchange. Despite the influx and profusion of talent, local creatives find difficulty in making a living from their work and sharing it within the community.

By cultivating programming that features local artists and celebrates the identity that is uniquely Southern Arizona, we address these needs.

Over the past two decades, SAACA has created more than 400,000 artistic experiences... from innovative community festivals to creative sector development and accessible arts education, we grow both our place and purpose as we pursue our mission strengthening the bonds between people.

PEOPLE / Connection. Community. Empathy.

Our programming and work fill the need for human interaction in an isolated world.

PLACE / Diversity. Culture. Tradition.

By preserving the past, we build on the present and instill pride in our community.

PURPOSE / Problem-Solving. New Ideas. Curiosity.

We inspire creative solutions to promote a more resilient, empathic, and vibrant community.

When you contribute to SAACA, you directly underwrite the efforts of local artists, creatives, and musicians alongside their journey of imagination.

WHAT WE DO

We accomplish our mission by creating and presenting key programs, educational opportunities, and cultural celebrations that generate new possibilities while preserving older traditions for all artists, creatives, and musicians to thrive. Engagements in collaborative programming often take place in less traditional art spaces.

Whether it be partnerships with local developers, healthcare service organizations, government partners, or social service organizations, our work continues to find new avenues for our creative sector to grow.

CATALYST CREATIVE COLLECTIVE

CATALYST combines over 14,000 square feet of flexible meeting, event, classroom and production space. Southern Arizona Arts & Cultural Alliance (SAACA) conceived CATALYST after identifying a need for a dedicated community space that could uplift, connect and build stronger collaborations within our creative sector.

The space is capable of hosting special events, seminars, presentations, arts experiences, rehearsals, performances and social gatherings from 25-350 people.

CATALYST partners include working digital creators, culinary-based businesses, visual and performing artists, business networking groups, and nonprofit organizations such as the Southern Arizona Symphony Orchestra, Esperanza Dance Project, Tucson Youth Music, and the educational nonprofit Waters Center for Systems Thinking.

PUBLIC ART

Southern Arizona Arts & Cultural Alliance (SAACA) specializes in working with businesses and community stakeholders to develop integrated arts projects into public spaces.

- Public Art Administration
- Mural Commissions
- Sculptural Installations and 3D Art
- Community-Led Public Art Projects
- Temporary and Permanent Public Art

BUSINESS & ARTS INTEGRATION

Establishing collaborative and innovative arts and business partnerships. Each day hundreds of businesses are unlocking the power of the arts to expand business development opportunities, inspire employees and brand their business apart from the rest.

SPECIAL EVENTS

Collaborating to produce diverse arts-based community festivals, programming, and events. From culinary to visual arts, cultural events and gallery spaces, no other organization expands the arts across more diverse arts platforms than SAACA in our community.

ARTS & CULTURAL RESOURCE

Expanding networked groups of artists and art organizations, and the engagement opportunities provided to them as a result. SAACA's signature publication, "Undercover Arts Magazine" unveils the wealth of artistic resources that define Southern Arizona.

ARTS ADVOCACY

Arts education plays an important role at all stages of life, and SAACA supports efforts to raise awareness about their importance. Our commitment to arts promotion is also reflected in our support for the advancement of art in health, the preservation of arts funding mechanisms, and the role arts play in the economic development / tourism sector of Arizona.

ABOUT

Blending science, mechanics and design is an innovative art form in its own right. Car design is a ubiquitous but often overlooked art form which SAACA brings to light through our annual Classic Car Show.

The event invites thousands of people out to rev up the weekend with live Blues music on the main stage, classic BBQ on the grill, and an endless supply of everything we have come to love about fast cars and classic auto!

WHY?

SAACA believes that every aspect of an automobile is art, from the headlights and the body of the car, to the seats and dashboard, even each little screw and bolt holding the car together. The event aims to bring the automobile to light as an art form through this spectacular community event, which also supports our Business and Arts integration initiatives.
